

## Reveal Digital Announces its Semi-annual Funders Round Table Program

On Tuesday, January 23, 2018, Reveal Digital will host its mid-winter Funders Round Table program beginning at 12:00 PM EST. Rather than hosting an in-person meeting at ALA Midwinter the Funders Round Table will be a virtual meeting for the first time. The program will include two well-known and highly respected speakers.

1. **Linda Gordon** is the author of a newly published book, *The Second Coming of the KKK*. Dr. Gordon's book was [reviewed by the New York Times](#) and she has been featured on numerous television and radio programs. Dr. Gordon will talk to us about the 1920s KKK, its parallels to the political scene today and about the research process underlying her book.

2. **Thorne Dreyer** is an alternative journalist who was one of the founders of the iconic 1960s and 70s alternative press publication, *The Rag*. Mr Dreyer was an integral part of the left's political movement, particularly in Austin, Texas. He continues his work today via his [Rag Blog](#) and the Rag Blog radio show. Mr. Dreyer will talk about the value of the underground press to political and social movements in the 1960s and 70s and the contributions of *The Rag* in particular.

After our speakers wrap up, we'll provide a progress report on the Independent Voices and Ku Klux Klan Newspaper projects along with a brief update on what's happening at Reveal Digital. We will be sure to leave time for participants to comment or ask questions.

**LYRISIS will host the meeting via their webinar service. Please follow [this link](#) to register for the event. There is no charge for participating and anyone is welcome.**
